

# Days of the Week - Pagan Style

These pages aren't really coloring sheets or a unit study, but I couldn't figure out how else to list them.

I've repeated the set in various sizes so you can use them as individual sheets or smaller for use with a daily schedule poster or calendar board. I really couldn't decide which format would be best, so I went with 3 options. Just pick your favorite :)

# MONDAY

Moon's Day

- Dreams
- Cleansing
- Astral World
- Children

# TUESDAY

Tyr's Day

- Strength
- Action
- Winning
- Taking Charge
